JOBS 4ALL

"We need to make every single thing accessible to every single person with a disability."

– Stevie Wonder

JOBS4ALL: Strengthening the Employability and Key Competences of Young People with Disabilities Through the Digital Transformation and Modernisation of Youth Work

The JOBS4ALL project aims to improve the employability skills of Young People with Disabilities through the use of Virtual Reality (VR) and build a business community towards enhancing the work opportunities and foster structural dialogue between businesses, Youth Organisations, Training Facilitators, Primary Schools and people with disabilities.
